Container News 1989 Editorial Index

EDITOR'S NOTE: The 1989 Editorial Index provides readers with easy access to information published in **Container News** during 1989.

Each feature article is alphabetically indexed four ways: by exact title, by individual author, by a cross reference of the title and under the appropriate category heading.

The regular departments (Editorial, Inside Washington, World Report, Europe 1992, Last Word, Risk Management and Trends) are listed under the name of the specific department. Feature articles and authors are also listed alphabetically.

Other subjects include: ports, ocean carriers, rail carriers, intermodal carriers, truck carriers, freight forwarders, literature, electronic data interchange, hazardous materials, case studies, question and answer, air cargo, conferences and equipment.

Each entry is followed by the month of the issue and the page number on which the item appeared. □
